ELATION REVIEWS:

GREAT WHITE - ELATION: by Galen Britt at Sonic Shocks

GREAT WHITE - ELATION: by Nikk Gunns at GetReadyToRock.me.uk.. "ELATION has to be up there as one of the best albums of 2012 so far."

GREAT WHITE - ELATION: by AuditorySlam.wordpress.com... 9 out of 10 Rating.. "An overall amazing sounding CD. Top notch production and songwriting really stands out. Terry's vocals are amazing in all the right places."

GREAT WHITE - ELATION: by By Jo Rockpit at TheRockPit.net... "A great band is still a great band when a key member leaves, and a great voice is a great voice. When all is said and done 'Elation' is a great collection of songs by a group of musician's who still know how to write a great song. "

GREAT WHITE - ELATION: By Thierry at HellSpawn.be... "It is a review with a lot of positive superlatives, but I have to do. This is currently my album of 2012. Super!" (translated)

GREAT WHITE - ELATION: By Craig Hartranft at DangerDog.com... 4.0 out of 5.0 rating. "Those who know the rich history, and fundamental elements, of Great White's music will dig Elation. This is solid blues infected melodic hard rock. Easily recommended."

GREAT WHITE - ELATION: From RockulusMaximus.com... "I would have to say that as much as I want to keep the scores low and mean, I really do love this album. It gets a nine out of eleven!"

GREAT WHITE - ELATION: By Daniel Pavlica at TheRocktologist.com... "Several things are achieved with this release, most of all important is the indefinite resurrection (or rebirth if you will) of Great White. Not to mention that there's a healthy dose of exciting music to be enjoyed on "Elation". Dig in!"

GREAT WHITE - ELATION: By Jeb Wright at ClassicRockRevisited.com... B = Buy It Rating - "The album, while solid, actually is much deeper, both lyrically and musically, than many of Great White's earlier efforts."

GREAT WHITE - ELATION: By Greg Napier, The Rock Show on 88.7 WMMT-FM... "...with an effort that will be talked about for sometime!! "Elation" sounds like a young hungry band, that is ready to make a statement in 2012."

GREAT WHITE - ELATION: By TheGreatSouthernBrainFart.com... "Elation is a really fun listen and it's an album that both the biggest and most casual of Great White fans can and should easily enjoy."

GREAT WHITE - ELATION: By HardMetalGoth.com..."I sincerely think that they couldn't have find a better vocalist than Terry. He really has lot of feeling in his voice that goes so well with the kind of music that Great White did, does and will probably always do, as this seems to be a new era that has just started."

GREAT WHITE - ELATION: By Claude Scébat on Facebook (translated) .

GREAT WHITE - ELATION: By Daniel Pavlica at the Rocktologist.com...(7 out of 10), "...this "Elation" line up, fronted by XYZ's Terry Ilous, truly delivers the goods."

GREAT WHITE - ELATION: By Mark Crampton... "Terry Ilous' characteristic vocal delivery is perfect and has proved a 'positive' inspiration. A back-to-basics blues rock album from a band in a state of euphoria!"
