**Hello Sharks and Sharkettes!**

**We have a fantastic base of friends & fans helping out on our promotional street team and they are rock'n the airplay requests for our latest release "Hard to Say Goodbye" and sharing the music video. But, there are a LOT of rock & classic rock radio stations out there, so we need more of you to join in to help us kick things up to the next level!**

**Most importantly... for those of you making the most efforts, be on the lookout for some special rock'n shark treats and prizes! Ahah!! The band has talked about VIP passes to shows, including soundcheck, meet and greet, shirts, etc..**

**At the moment we need requests on these flowing stations below. As they have added the single, but it's crucial we get more airplay and only your requests will help. In addition to these below, also feel free to request the song on your favorite internet stations and XM/Sirius, etc.**
