

## Website Change

As you may have noticed the design was changed. The top background photo cycles through many photos of the band each time a menu item is clicked. If you're a photographer and notice that one of your photos is included there and doesn't show credit to you on it, will you please contact me at [webmaster@povohost.com](mailto:webmaster@povohost.com) and let me know which one it is and how you'd like your credit to read. Thanks!! Some of these live photos were found in each of the band members photo albums in facebook and I couldn't figure out who the photographers were.
