

Great White's Audie Desbrow To Guest On WVOX's Metal Mayhem This Friday!

Written by Povohost -

Hot on the heels of their latest release, Elation, Great White's long-time original band member Audie Desbrow will be Matt and Scott's special guest this **Friday, June 22nd at 9:20pm exclusively on 1460 AM** and <http://www.wvox.com/> worldwide.

Re-charged and re-focused, the Terry Ilous - fronted Great White channels their raw and all-at-once dangerous sound into their new album, Elation on Frontiers records - the band's 12th studio album thriving on Great White's signature grit and blues-hued sound, only marked with a new synergy. WVOX will be giving away copies of Elation during the interview. **Metal Mayhem airs every Friday from 6-10pm**
