

"Great White Radio Interview Re-Broadcast!"

Written by Povohost -

Due to overwhelming demand, WVOX's Feature Interview with Great White founder/guitarist, Mark Kendall, will be re-broadcast in it's entirety tomorrow, Wednesday, 2/27/13 at 8:05pm Eastern on WVOX.com Worldwide and 1460 AM in New York.

During the prime time chat, Kendall talks with hosts Matt O'Shaughnessy and Tony Gizzo about Great White's pioneering legacy, celebrating thirty years rocking the masses, the bands new and much anticipated 30 Years - "Live From The Sunset Strip" release and latest studio album, "Elation", and much more!

With internationally-acclaimed songs such as "Rock Me", "Save Your Love", "Mista Bone", "Hard To Say Goodbye" among others of note, the legendary Los Angeles hard rockers were catapulted into households everywhere over their illustrious three decade career with their raw and blues-hued, no-nonsense approach to music.

Metal Mayhem airs Wednesday from 7-9pm and Friday between 6-10pm and can now be viewed on live webcam at <http://www.wvox.com/> .
